Make your own Baltimore Album Quilt, with Elly Sienkiewicz's patterns. The blocks have been enlarged from 8" to 12" block size which makes the applique fun and easy

Supply List

Ironing mat, Clover mini iron, small sharp scissors, one for fabric, one for paper, spray starch, brush & jar Pins, Roxanne's Glue Baste It.

Required Book: Baltimore Elegance by Elly Sienkiewicz, C+T Publishing

Fabric

Background Fabric for blocks:

You will need a $13\frac{1}{2}$ " square for each block. There are 33 blocks patterns in the book. I recommend 4 yards of a ivory tone on tone print.

Applique Fabrics: Fat quarters & $\frac{1}{4}$ yds give a (100% cotton) good variety to work with to make the flowers, birds, berries, leaves & stems.

I do bring fabric kits for the applique fabric. The kits have all the fabric to make a block and are available in 3 color looks. The fabric kits are \$5.00 each and available during each class.

Templates: The templates are preprinted for you at the 12" block size.
