- 1 1/4 yd of fabric for backing
- Twin size batting for center of quilt, 1 1/2" safety pins for basting. two packages

Some knowledge and experience with your sewing machine helpful. Please bring the sewing machine manual. I will teach threading and cleaning students machines.

Students can take one week or both weeks. In six classes a quilt will most likely be finished. Students will learn to use a rotary cutter, quilt rulers, and mat. Sew 1/4" seams, design their own block layout, learn to baste and quilt their finished top. We will learn to do a binding, and hand sew the binding down.
