

Magic Cutting Mat for Sewing and Quilting

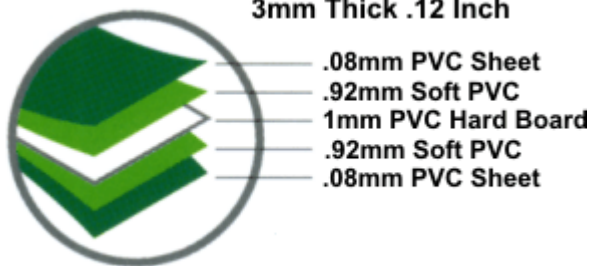

The Magic Cutting Mat is a very durable, professional-quality cutting mat perfect for all your sewing and quilting projects!

Features and Advantages

- ✓ Self-healing and long-lasting
- ✓ Double-sided cutting with each side having a non-glare, easy viewing medium green color
 - Distinct yellow 1" grid lines with bias line and ¼" ruler on all edges for high precision cutting
 - Solid color on reverse side for general cutting
- ✓ Smooth surface allows rotary cutters to glide
- ✓ Does not slide on work surface for non-slip cutting
- ✓ Rounded corners
- ✓ Easy to clean and maintain
- ✓ Store flat or use the convenient hole for hanging

Superior Construction: Why Settle For Less?

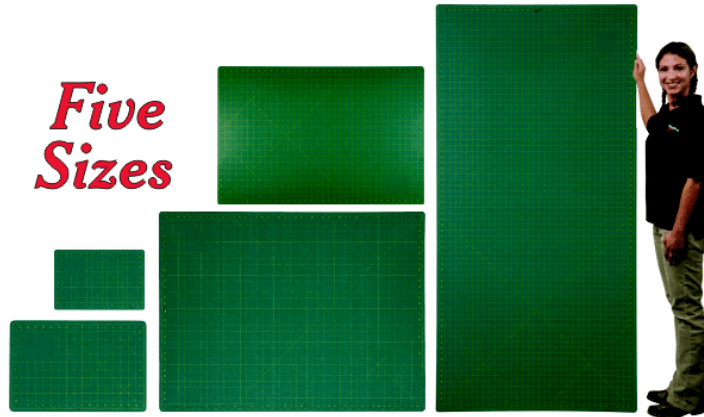

The unique 5-layer composite PVC material construction is twice as thick as most leading brands at a comparable price!

- ✓ Longer lasting
- ✓ Protects work surface
- ✓ Keeps blades sharp
- ✓ Usable on uneven surfaces (e.g., tiled counter top)

Choose From Five Standard Sizes

The Magic Cutting Mat comes in 5 standard sizes to meet most any need – from a handy carrying size to covering a large work table.

Size (inches)

12 x 18
18 x 24
24 x 36
36 x 48
36 x 72

Please note that all mats are a fraction of an inch less than listed. For example, the 24" x 36" mat is actually 23.6" x 35.4".

Custom Sizes Are No Problem!

We understand that many people have unique needs and situations where a standard-sized mat just isn't quite right. No problem! If you require a particular size, please contact us for pricing and availability of custom-sized mats. Examples we have seen include:

- Small mats (e.g., 6" x 9") that are perfect for paper piecing and carrying in a hand bag
- Large mats that fit standard-sized tables and counter tops (e.g., 30" x 72")
- Mats that fit Longarm quilt machine tables (e.g., 18" x 72") that do not require clipping together smaller mats resulting in a seam

Note: Because custom sized mats are cut from standard sized mats, some sides may not have the ruler and the mat may not have a hole for hanging.
